## IMAGINE NEBRASKA ACT – PROJECT IMPACT FORM

The Department of Economic Development ("Department") requests the following supplemental information regarding the Applicant's pending ImagiNE application (Please submit this completed form, along with any supporting documentation, using this ShareFile link):

Instructions: If additional space is required to answer or fully explain, please attach additional pages to this form and specify which question the attached answer/explanation applies to (e.g. "Section II, Question 8").

# Section I.

1. Applicant name and application number:

   _____

2. Street address and county of the qualified location(s):

   _____
   *Address*

   _____
   *City*

   _____
   *County*

3. What is the majority of business activity conducted at the qualified location(s)?
   *For a list of eligible activities, https://imagine.nebraska.gov/qualified-location-activities/.*

   _____

4. What is the total projected investment for the proposed ImagiNE project?

   _____

5. What is the physical size, in acres, of the project site at the qualified location(s)?

   _____

6. What is the service life of the proposed ImagiNE project at the qualified location(s)?

   _____

7. What is the electricity demand of the proposed ImagiNE project (in megawatts)?

   _____

8. What is the annual water withdrawal and usage of the proposed ImagiNE project (gallons per day)?

   _____

9. Did Applicant apply for the Modernization or Mega-Project application level? ☐Yes ☐No

10. Is the applicant a data center as defined in Neb. Rev. Stat. §70-1506? ☐Yes ☐No
    **Data Center is defined as a facility (i) The primary services of which are the storage, management, and processing of digital data;(ii) That is used to house computer and network systems, including associated components such as servers, network equipment and appliances, telecommunications systems, data storage systems, systems for monitoring and managing infrastructure performance, Internet-related equipment and services, data communications connections, environmental controls, fire protection systems, and security systems and services; and (iii) That has a peak electricity demand of ten megawatts or more.*

*NOTE: If Applicant answered "No" to both question (9) and (10), Applicant may skip Sections II and III of this Form and proceed to Section IV to complete, unless instructed to complete Section II or III by the Department. If Applicant answered "Yes" to either question (9) or (10) of this Form, Applicant must complete Section II. If Applicant answered "Yes" to question (10) of this Form, Applicant must complete Section III. If Applicant has a projected investment at or over $250 million, Applicant must complete Section II.

# Section II.

*NOTE: Complete Section II if question (9) or (10) in Section I were answered "Yes" or if requested to by the Department. **If a document or proof of permit is requested, this form will not be considered complete until all documentation has been provided.**

1. List prior land use of the qualified location(s), include any existing water access, infrastructure, or environmental history, if multiple locations, specify per location:

*Attach additional pages if necessary.

2. The projected ramp-up timeline in energy usage of the proposed ImagiNE project at the qualified location(s):

_____

3. The estimated peak energy demand for the proposed ImagiNE project (in megawatts):

_____

4. The anticipated source or supplier of energy and power at the qualified location(s) if multiple, list all sources and suppliers:

_____

5. Electrical power for the proposed ImagiNE project at the qualified location(s) will be: ☐Behind-the Meter ☐Front-of-Meter

6. The current capacity, in megawatts, of the source(s) or supplier(s) specified in Question (4) of Section II:

_____

7. Has the Applicant, or any person or entity on the Applicant's behalf, submitted a New Load Application with the source(s) or supplier(s) specified in Question (4) of Section II? ☐Yes ☐No
   a. If yes, I have submitted documentation of such application(s) and executed agreement(s) to the Department's secure ShareFile link. ☐Yes ☐No

8. Water source for proposed ImagiNE project qualified location(s) (specify for each location): ☐Municipal ☐Ground ☐Surface ☐Other
   If other, please explain: _____

   _____

9. Expected water discharge, in gallons per day, for the proposed ImagiNE project at the qualified location(s) (specify for each location):

   _____

10. Will the proposed ImagiNE project discharge into a municipal system at any qualified location? ☐Yes ☐No
    a. If yes, specify which municipality(ies):_____

       _____

11. Does the proposed ImagiNE project utilize a closed-loop system at each qualified location? ☐Yes ☐No
    If no, please explain: _____

    _____

12. The estimated potential-to-emit (PTE) for pollutants of the project at the qualified location(s):

    _____

13. Is the project's estimated PTE expected to cause or contribute to the affected air shed being out of attainment? ☐Yes ☐No ☐Not Sure

14. Does the proposed ImagiNE project/facility require a Class I Title V operating permit? ☐Yes ☐No
    a. If yes, has such permit been applied for? ☐Yes ☐No
    b. If yes, has such permit been granted? ☐Yes ☐No

15. Does the proposed ImagiNE project /facility require a Class II minor source permit? ☐Yes ☐No
    a. If yes, has such permit been applied for? ☐Yes ☐No
    b. If yes, has such permit been granted? ☐Yes ☐No

16. What dollar amount and percentage of the proposed ImagiNE project's infrastructure costs will be funded by the Applicant?

_____

17. If the Applicant is not funding 100% of project infrastructure costs, what other specific funding sources will be utilized, and what direct or long-term liabilities can be expected for local ratepayers/taxpayers?

18. List all energy efficiency, load management, and conservation measures to be implemented by the Applicant at the qualified location(s):

19. I have uploaded additional proof of the measures detailed in request (18) to the Department's secure ShareFile link. ☐Yes ☐No

20. List all commitments by the Applicant to use renewable energy. Proof of commitments can be uploaded to the Department's secure ShareFile link:

21. I have uploaded proof of the commitments detailed in (20) to the Department's secure ShareFile link. ☐Yes ☐No

## Section III.

*NOTE: Complete Section III if question (10) in Section I was answered "Yes" or if requested to by the Department.

1. List all community benefit agreements (See Neb. Rev. Stat. § 70-1506(7)(b)) between the Applicant and affected Nebraska municipalities.

2. I have uploaded additional proof of the measures detailed in (1) to the Department's secure ShareFile link. ☐Yes ☐No

3. If applicable, list all commitments of the Applicant to bear all decommissioning costs (See Neb. Rev. Stat. § 70-1506(7)(a)).

4. I have uploaded additional proof of the measures detailed in request (3) to the Department's secure ShareFile link. ☐Yes ☐No

## Section IV.

*NOTE: Pursuant to Neb. Rev. Stat. § 77-6827(5), the director may request additional information or clarification from the taxpayer in order to make his or her determination to approve or not approve an application, such ninety-day period shall be tolled from the time the director makes the request to the time he or she receives the requested information or clarification from the taxpayer.

Under penalties of law, I declare that I have examined the information provided, I have authority to sign on behalf of the Applicant, and to the best of my knowledge and belief, it is correct and complete.[1]
